These figures are not guarantees or projections of your actual earnings or profits. The above figures include only bonuses, commissions or other remuneration paid to IBOs by International Markets Live Inc. (IML). They DO NOT take into consideration any expenses incurred by IBOs in operating their businesses. Expenses incurred in operating an independent IML business may include, but are not limited to, the payment of initial and monthly IBO fees, transportation costs, training and educational expenses, and travel expenses. In some cases, these costs and expenses may exceed the amounts earned by IBOs from IML. IML makes no guarantee of financial success and you may lose money. Success with IML results only from successful sales efforts, which require hard work, diligence, skill, persistence, competence, and leadership. Your success will depend upon how well you exercise these qualities.

The earnings of IML IBO's in this chart are not necessarily representative of the income that a IML IBO will earn through participation in the IML Compensation Plan. IML does not pay commissions for recruiting new IBOs. Rather compensation is based solely on product sales, which varies. The figures in this chart should not be considered as guarantees of projections of your actual earnings or profits.
